

input_getNext

```
graph LR; A[input_getNext] --> B[input_isEmpty]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'input_getNext'. The right box is white with a black border and contains the text 'input_isEmpty'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a flow or sequence.

input_isEmpty
