

timer_start

```
graph LR; A[timer_start] --> B[register_write]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'timer_start'. The right box is white with a dark gray border and contains the text 'register_write'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a flow or sequence.
