

handleEscapeSequence

```
graph LR; A[handleEscapeSequence] --> B[input_getNext]; B --> C[input_isEmpty];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'handleEscapeSequence'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'input\_getNext'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'input\_isEmpty'.

input\_getNext

input\_isEmpty
