

time\_resume

```
graph LR; A[time_resume] --> B[timer_start]; B --> C[register_write];
```

A flowchart illustrating a sequence of three steps. The first step, 'time\_resume', is contained within a gray rectangular box. A blue arrow points from this box to the second step, 'timer\_start', which is in a white rectangular box with a black border. Another blue arrow points from the 'timer\_start' box to the third step, 'register\_write', also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.
