

timer_captureCompareGet

```
graph LR; A[timer_captureCompareGet] --> B[register_read]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box on the left is filled with a dark gray color and contains the text 'timer_captureCompareGet'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'register_read'.
