

putIntoBuf

```
graph LR; A[putIntoBuf] --> B[input_isFull]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'putIntoBuf'. The right box is white with a black border and contains the text 'input_isFull'. The blue arrow points from the right side of the first box to the left side of the second box.

input_isFull
